ABOUT ME

I'm a Third-Year BSIT student from Polytechnic University of the Philippines - Quezon City Branch. My approach combines technical expertise with creative thinking, ensuring that every project not only functions flawlessly but also delights users with intuitive design and smooth interactions.

EXPERIENCE

Technical Committee at COMMITS

2025 - Present

Polytechnic University of the Philippines - QC Branch

- I ensure that every technical aspect of our event or project runs smoothly. From setting up equipment and managing audiovisual systems to troubleshooting issues and supporting the team during live activities. I make sure everything functions efficiently and professionally.

Duelist at Team Jobless Esports

2025 - Present

Polytechnic University of the Philippines - QC Branch

- My main role is to take the lead in fights and create space for my team. I'm the one who pushes first, clears angles, and takes risky plays to secure early kills. It's a high-pressure role that demands sharp aim, quick decisions, and confidence.
